RE: POTENTIAL I.L.A. STRIKE UPDATE #4

Dear Valued Customer,

Here we are, 30 days since we last wrote to you, our valued customers, and still we do not have a resolution to the potential strike of the East Coast ports of the United States. The USMX and ILA are still in talks with some major issues ironed out but many more still to be settled.

As of right now the current agreement will expire on February 6th.

We are hopeful that the two sides come to an agreement but once again it's time to prepare for the worst. So again we are urging our customers to look at their inventories and plan for an interruption in their supply chain. We are here ready to help in any way necessary, please feel free to contact your Aqua Gulf representative for assistance.

We will continue keep you informed as more details become available. Be sure to check our website, Facebook or Twitter accounts to get the latest news from us.

Sincerely,

Sergio Sandrin
